**RESPONSE TO REQUEST FOR CORRECTED FILING RECEIPT**

**Software Limitations**

In response to your request for a corrected Filing Receipt, the Office is unable to comply with your request because of the software limitations as specified below:

- The title may be truncated if it consists of more than 500 characters (letters and spaces combined).
- Superscript and subscript are not possible. These characters will appear on the same line.
- The inventor information may be truncated if the family name consists of more than 50 characters (letters and spaces combined) and if the given name consists of more than 50 characters (letters and spaces combined).
- The inventor's residence allows for up to 40 characters (letters and spaces combined).
- The inventor's country of residence is taken from a preset listing of countries. This preset listing does not contain the country name that you have requested.
- The docket number allows a maximum of 25 characters.
- Foreign priority will appear on the Filing Receipt in the following order:  
**Country, Application number, Filing date.**

The person signing on behalf of the deceased inventor is reflected on the Filing Receipt as the legal representative.

Only one character per space is allowed. Therefore, punctuation that is usually placed above or below a letter, such as an umlaut (ë), cannot be included on the Filing Receipt.

The suffixes SR. and JR. will only appear in upper case.

The semicolon following the assignee information cannot be deleted.
